Room assignments are made by the retreat manager before the retreat begins. In assigning single rooms, we give priority to those whose health, mobility, or other special circumstances would make it difficult to share a room. If we are not able to accommodate your request for a single room, please indicate whether we should:

- Place you on a waiting list for a single room.  Place you in a double room.

**Registration fees . . .**

Registration fees are on a sliding-scale basis. The sliding scale goes from 50% to 150% of actual costs, and within this range you're invited to offer the amount that best suits your circumstances. Please pay at the highest level of the sliding scale you can afford. This gives others who need to pay less an opportunity to attend. If the lower end of the range exceeds what you can afford, financial assistance is available through our scholarship program.
